- Newsletter campaign

WORK EXPERIENCE

Hapag-Lloyd AG. Hamburg [Shipping / Logistics sector] 2024 - 2025

Working Student in Project Coordination Customer Experience

- **Stakeholder Management & Agile Project Delivery:** Coordinated deliverables across cross-functional teams; Tracked project milestones, tickets, and dependencies across agile sprints
- **KPI Reporting:** Analysed customer data and user research; translated findings into structured performance summaries and sprint review updates

ECE Group Hamburg [Marketplace/Real Estate sector]

Working student in Business Development

2024

- **Competitive & Market Analysis:** Conducted competitive analysis and market research to support strategic planning and identify business development opportunities, e.g. automotive, furniture sector

Hongkong and Shanghai Banking Corporation Limited (HSBC)

Strategy Project Management Officer (PMO)

2021- 2022

- **Budget Management:** Owned budget tracking across a \$8M digital transformation programme, monitored spend and burn rate by producing weekly financial variance reports and escalated budget risks to C-level leadership
- **Cross-functional Influence:** Acted as central interface between Product, Engineering, Marketing, and C-suite on a USD 8M digital transformation, aligned priorities and gained buy-in across teams without direct authority using structured business reasoning and stakeholder reporting

Intelligent Power Corporation Limited [IoT / IT sector]

Marketing Manager

2020

- **Go-to-Market Strategy:** Developed and executed B2B go-to-market strategy across 4 major product launches — event activations, sales collateral, and channel engagement directly contributed to 4.6M CNY in signed contracts
- **Product Positioning & Value Proposition:** Defined product positioning, key messages, and value propositions for IoT solutions; created argumentation guides and competitive comparison materials for the sales team
- **Sales Enablement & Training:** Developed SOPs, sales training materials, and product guides to standardise GTM delivery; onboarded and upskilled sales and channel partners on new product launches
- **Trade Fair / Messe:** Represented the company at B2B industry trade fairs covering exhibition booth operations, live product demonstrations, and coordinated lead capture for the sales team
- **Market & Competitive Intelligence:** Monitored competitor activity and market trends to inform product positioning and pricing strategy

GRG Banking Corporation Limited [ATM Manufacturing sector]

Product Marketing Manager

2019

- **Go-to-Market Strategy:** Defined and executed go-to-market plans across multiple product lines, aligning Marketing, Sales, and Engineering on launch timelines, positioning, and channel strategy
- **Account Management & Sales Enablement:** Developed product collateral, competitive comparison materials, and demo scripts; delivered pre-sales support and product demonstrations to 100+ B2B clients at trade fairs and customer visits, directly supporting pipeline development
