WORK EXPERIENCE

Hapag-Lloyd AG. Hamburg

2024 – 2025

Working Student in Project Coordination Customer Experience

- **Internal Communications Coordination:** Coordinated internal communications for product feature releases and organisational updates; managed content preparation and distribution across the Customer Experience team.
- **Stakeholder Engagement & Reporting:** Translated user research and customer journey data into structured performance narratives presented at sprint reviews and executive stakeholder sessions.
- **Editorial & Documentation Support:** Produced presentations, briefing documents, and meeting summaries for senior stakeholders; ensured consistent messaging across cross-functional project communications.
- **Agile Team Engagement:** Facilitated team alignment through sprint ceremonies and retrospectives, supporting leadership visibility and information flow across the business unit.

ECE Group Hamburg

2024

Working student in Business Development

- **Executive Communications & Reporting:** Packaged competitive intelligence and market analysis into executive-ready reports and presentations supporting senior leadership decision-making.
- **Project Reporting & Optimisation:** Regularly updated project data to monitor progress and drafted periodic progress reports. Optimized project-related spreadsheets to enhance automation and improve operational efficiency
- **Stakeholder Coordination:** Managed communications and scheduling across client visits and cross-team engagements within the Asia Business department.

Hongkong and Shanghai Banking Corporation Limited

2021– 2022

Project Management Officer (PMO) in platform strategy Dept.

- **Internal Events & Town Hall Management:** Planned and delivered hybrid town hall events for 300+ employees per session; managed end-to-end run-of-show, speaker preparation, employee engagement strategy, post-event communications, and produced company-wide commercial video/newsletters
- **Leadership Communications:** Produced company-wide newsletters and promotional videos communicating programme milestones, leadership priorities, and cultural messages across the organisation.
- **Strategic Narrative Development:** Acted as communication bridge between technical teams and C-suite; translated complex programme updates into clear, structured narratives that drove alignment and investment decisions.
- **Editorial Planning & Execution:** Developed and maintained internal communications calendar aligned with programme priorities and leadership messaging strategy.

Intelligent Power Corporation Limited

2020

Marketing Manager

- **Internal & External Communications Strategy:** Developed comprehensive B2B communications strategy across 4 major product launches; created sales collateral, argumentation guides, and messaging frameworks aligned to product positioning.
- **Content Creation & Campaign Execution:** Produced multi-format content including event materials, product guides, SOPs, and training resources.
- **Measurement & Performance Reporting:** Tracked and reported communications KPIs across campaigns; built competitor monitoring reports and audience engagement analyses informing strategic adjustments.
