ABOUT ME

Technology operations / project management professional with 4+ years of international experience spanning shipping, FinTech, IoT, and e-commerce. Proven track record in programme governance, vendor management, budget tracking, and cross-functional stakeholder coordination at global organisations including Hapag-Lloyd and HSBC. Microsoft Power BI Certified (PL-300). Fluent in English, German, Chinese, and Japanese. Based in Germany, available immediately.

SKILLS

- Technology Operations & Governance (Tech stack lifecycle management, Budget tracking & cost optimisation)
- Project & Stakeholder Management (C-level reporting, Cross-functional coordination, Risk management, Agile sprint planning)
- Analytics & Reporting (Data visualisation, Dashboard design & performance analysis)
- Marketing & Communications (Go-to-market strategy, Internal & external communications, Multi-market coverage, Campaign performance tracking)

WORK EXPERIENCE

Hapag-Lloyd AG. Hamburg

2024 - 2025

Working Student in Project Coordination Customer Experience

- **Technology Operations Support:** Coordinated cross-functional deliverables and managed operational dependencies across agile sprints; served as central coordination point between project teams, stakeholders, and product owners.
- **KPI & Performance Reporting:** Analysed customer journey and user research data; translated findings into structured executive sprint review reports escalated to senior stakeholders.
- **Governance & Documentation:** Maintained and consolidated internal booking reports; provided ad-hoc documentation support including presentation preparation and meeting facilitation.
- **Stakeholder & Agile Delivery:** Participated in sprint ceremonies (planning, stand-ups, retrospectives); coordinated internal communications for feature releases and product publications.

ECE Group Hamburg

2024

Working student in Business Development

- **Market & Competitive Intelligence:** Conducted competitive analysis and market sizing across automotive and furniture retail segments; packaged findings into executive-ready reports supporting strategic channel prioritisation decisions.
- **Project Reporting & Optimisation:** Regularly updated project data to monitor progress and drafted periodic progress reports. Optimized project-related spreadsheets to enhance automation and improve operational efficiency
- **Vendor & Stakeholder Coordination:** Managed scheduling and logistics coordination for client visits and cross-team meetings within the AC Asia Business department.

Hongkong and Shanghai Banking Corporation Limited

2021- 2022

Project Management Officer(PMO) in platform strategy Dept.

- **Budget & Financial Governance:** Owned financial performance tracking across a USD 8M digital transformation programme; built multi-dimensional budget variance dashboards and weekly burn-rate reports escalated to C-suite.
- **Technology Programme Coordination:** Served as central operational interface across Product, Engineering, Marketing, and C-suite; managed programme status, risk escalation, and prioritisation decisions across 6 workstreams.
- **Stakeholder Data Storytelling:** Translated complex programme data into structured insight narratives that drove investment and prioritisation decisions at executive reviews.
- **Hybrid Events & Internal Comms:** Planned and delivered hybrid town hall events for 300+ attendees; managed run-of-show, speaker coordination, produced company-wide commercial video/newsletters.

Intelligent Power Corporation Limited

2020

Marketing Manager

- **Go-to-Market & Campaign Operations:** Developed and executed B2B GTM strategy across 4 product launches; event activations, sales collateral contributed to 4.6M CNY in signed contracts.
- **Vendor & Partner Management:** Managed external vendors and channel partners; developed SOPs and training materials standardising GTM delivery processes across the organisation.
- **Performance Analytics & Reporting:** Tracked and reported marketing KPIs across campaigns; ROI analysis evidenced direct event-to-revenue impact; built recurring competitor monitoring reports informing product positioning.
